About Me

I'm a passionate **Full-Stack Developer** with hands-on experience in building scalable web applications using the **MERN stack**. Currently pursuing my BCA, I specialize in modern technologies like React, Node.js, MongoDB, and Express, and I'm deeply fascinated by the possibilities of AI, NLP, LLMs,

In 2024, I participated in the "Hack the Mountain" **national-level hackathon** held in Rajkot, where I proudly secured the **1st runner-up** position for my project "PetZone",
